MODEL - VOJ320F

Overview

VIZIO VOJ320F1A was designed to buck the trend of traditional black accents most commonly portrayed in consumer electronics today. The new VIZIO “Java” colorization blends a more modern hue that is suitable for any décor. While impressing with overall design characteristics, we pack the VOJ32F1A with technology including Full High Definition 1080p processing power, 3x HDMI inputs and over 16 Million colors to impress. The new VIZIO VOJ320F1A HDTV. Where Vision Meets Value.

“Java” VIZIO VOJ320F1A – Taking the “Evolution” (VO) series of televisions to the next level, VIZIO “Java” adds a subtle hint of brown to the bezel design that is perfectly capable of balancing out any décor in the home. Wall mounting capable, your VIZIO “Java” will become a perfect addition to any room in the house.

SRS TruSurround XT™ - Full High Definition video performance bodes well for every consumer but VIZIO couples the extraordinary video performance with the best auditory experience possible. By featuring SRS Labs TruSurround XT™ technology, VIZIO offers the best overall HDTV experience in the industry!

178 Degree Viewing Angle - Our LCD HDTV's deliver a viewing angle of up to 178 degrees, resulting in crisp and clear pictures that are visible from any seat in the house.

Integrated Digital/QAM television tuner - enjoy high definition and regular television programs with or without paid high definition service.
